Carlisle Wide-Plank Flooring is an exclusive “one-of-a-kind” company that stands tall in their field. Specialists in reclaimed wood flooring, Carlisle recycles and remanufacturers antique flooring from over two centuries ago. Each one of their skilled craftsman is also a quality control manager. What does this mean to you? You won’t get defective merchandise, excuses or problems with this flooring – they stand behind their product 100%. Stop by our showroom and see for yourself the true beauty of this wonderful flooring in one of only a handful of independent Carlisle flooring dealers in the United States!
